EDUCATION

Foundation in Science and Technology

Sunway College

2021 - 2022

CGPA: 3.23

Bachelor of Computer and Network Security

Sunway University

2022 - 2025

CGPA: 3.3

CERTIFICATIONS

- CCNA: Introduction to Network | Cisco Networking Academy
- Fortinet Certified Fundamentals & Associate | Fortinet

OBJECTIVE

IT Audit Intern with hands-on experience in IT General Controls (ITGC) and vulnerability assessment. Built and deployed Linux-based IoT and security lab environments using Raspberry Pi. Seeking an entry-level cybersecurity or SOC analyst role to apply practical network monitoring and security testing skills.

WORK EXPERIENCE

Crowe Malaysia - (Completed Jan 2025 - Apr 2025)

IT Audit Intern

- Performed IT General Controls (ITGC) audits for corporate clients by reviewing access controls, change management processes and system configurations.
- Conducted risk-based documentation and identifying security control gaps in corporate network infrastructures.
- Collaborate with senior auditors to ensure compliance with industry security and governance standards.

TECHNICAL PROJECT

IoT-Based Aquaculture Monitoring System

- Designed and deployed an IoT monitoring system using Raspberry Pi to collect and transmit data.
- Integrate sensors (temperature, pH, water quality) for real-time data acquisition.
- Develop a mobile application for monitoring remotely.
- Configured Linux services to ensure continuous data logging and system uptime.

Home Lab & Security Testing Environment

- Configured Raspberry Pi as a Linux-based home lab server for security testing and experimentation.
- Deployed OWASP testing environment to practice web application vulnerability assessment.
- Conducted vulnerability enumeration using Kali Linux tools.
- Configured port forwarding and firewall rules to securely expose internal server services to external clients.

Skills

Cybersecurity Tools

- Kali Linux
- Wireshark
- Nmap
- Metasploit
- Burp Suite

Security Framework

- OWASP Top 10
- ITGC Audit
- Vulnerability Management
- Risk Documentation

Networking

- TCP/IP
- VPN
- Firewalls

Programming

- Python
- Java
- SQL
